Our family arrived in America from Carini, Sicily and Pr. Avellino, Naples, Italy over forty years ago. They were in search of a better life for themselves and for future generations. Deep rooted in our family traditions are a welcoming nature, delicious food and a strong family structure. These are the traditions that we based the foundation of our restaurant upon. Giovanni's opened in 1999 and our family's passion for food and love of Italy keeps us dedicated to serving the freshest and most authentic Italian cuisine in all of Naples.
